Payers Health Exchange Identification and Information

For the 2016 benefits year, the below payers are reporting generic Health Insurance Exchange (HIX) information indicating that a member is enrolled through the exchange in their 271 eligibility response. The message and type of information may vary by payer; however we will always flag these payers as “This is a Health Insurance Exchange Member”.

HIX information can be found in three locations within Experian Health/Passport eligibility:

eCare NEXT and OneSource clients:

- MyResponse:
 - This information will be displayed in the widget labeled “Health Insurance Exchange.”
 - This widget will combine an indicator “This is a Health Insurance Exchange Member,” any grace period and/or premium paid to dates that were provided, along with any free-form text message segments received from the payer response pertaining to the member’s HIX information.
- Full response:
 - This information will be displayed in a “Benefit Description” section of the response and the description label will be HIX/ACA.
 - The “Benefit Description” section will combine an indicator “This is a Health Insurance Exchange Member,” any grace period and/or premium paid to dates that were provided, along with any free-form text message segments received from the payer response pertaining to the member’s HIX information.

EDI clients:

- EDI:
 - This information will be displayed in the 271 returned to the client as an EB*D****HIX/ACA~ segment.
 - Any segments following the EB*D in the related loop(s) will pertain to the member’s HIX data. This will always include a message segment MSG* This is a Health Insurance Exchange Member ~ and can also include DTP and additional MSG segments if the payer returned that information in the eligibility response.
