

## OneSource Rebranding FAQ

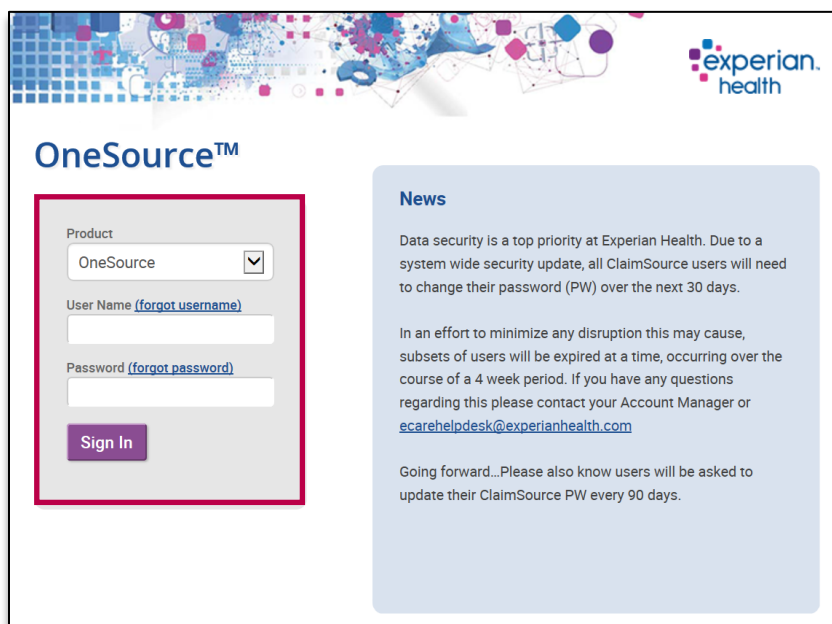

OneSource will soon be updated with a new look and feel that reflects the new color scheme and logo of Experian's rebrand effort. All of the OneSource features that you currently enjoy will still be available, but you may find that certain links have moved or look slightly different. This FAQ document can be referenced for assistance with finding popular features in the new OneSource interface.

### What does the new login page look like?

A screenshot of the redesigned OneSource login page

(<https://www.passportonesource.com>) is shown below. Users will enter their user name and password in the fields provided and click **sign in**. If you have forgotten your user name or password, "forgot username" and "forgot password" links are located next to these fields to assist with user name retrieval or password resets.

Please note that there is also a product dropdown menu on the login screen. For now, OneSource will be the only product listed in this dropdown menu. Users will **not** need to make a selection from the dropdown menu, as it will already be defaulted to OneSource. In the future, ClaimSource and eCare NEXT will be added to this product dropdown.

The screenshot shows the OneSource login page. At the top right is the Experian Health logo. Below it, the text "OneSource™" is displayed. The login form is enclosed in a red border and contains the following elements: a "Product" dropdown menu with "OneSource" selected, a "User Name" field with a "(forgot username)" link, a "Password" field with a "(forgot password)" link, and a "Sign In" button. To the right of the login form is a "News" section with three paragraphs of text. The first paragraph discusses a system-wide security update requiring password changes for ClaimSource users. The second paragraph mentions user expiration and provides a contact email. The third paragraph states that users will be asked to update their ClaimSource password every 90 days.

**News**

Data security is a top priority at Experian Health. Due to a system wide security update, all ClaimSource users will need to change their password (PW) over the next 30 days.

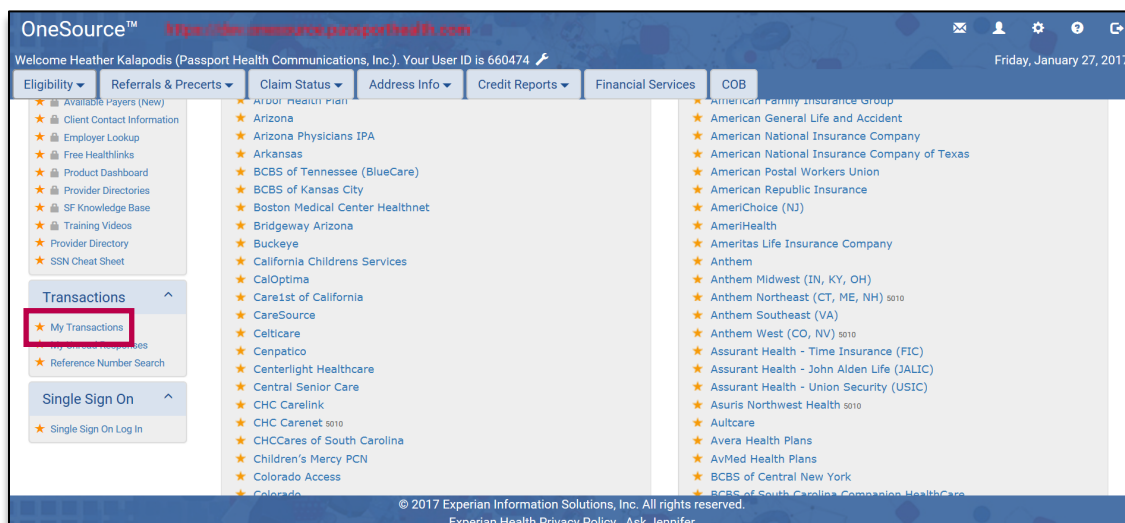

In an effort to minimize any disruption this may cause, subsets of users will be expired at a time, occurring over the course of a 4 week period. If you have any questions regarding this please contact your Account Manager or [ecarehelpdesk@experianhealth.com](mailto:ecarehelpdesk@experianhealth.com)

Going forward...Please also know users will be asked to update their ClaimSource PW every 90 days.

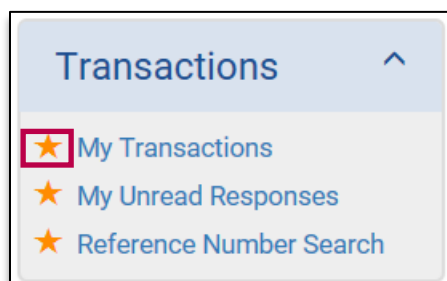

## Where are my OneSource transactions?

Some of the links on the OneSource toolbar have been reorganized into new categories for easier navigation. The **My Transactions** link, which stores all of your OneSource transactions for 7 days, is now in the **Transactions** section on the toolbar. Links to **My Unread Responses** and **Reference Number Search** can also be found in this section. Depending on your settings, you may need to scroll partway down the page to see these links.

## Can I put my OneSource links at the top of the page?

Yes! In the past, you may have enjoyed pinning eligibility payers to your Favorites list in OneSource for easy access. This feature is now available in the toolbar, as well! To add a toolbar link to your Favorites, click the star to the left of the link.

The link will now display in the **Favorites** section on the top left side of the page. To remove a link from your Favorites, simply click the star next to the link in the Favorites section.

The screenshot shows the OneSource portal interface. The top navigation bar includes links for Eligibility, Referrals & Precerts, Claim Status, Address Info, Credit Reports, Financial Services, and COB. The left sidebar contains sections for Favorites, Patient Access Products, eCare Online Products, Messages, and Tools (customize). The Favorites section is highlighted with a red box and contains a search bar and a list of favorites. The Patient Access Products section lists eCare Next, Work Center, Power Reporting Portal, and Coverage Discovery. The eCare Online Products section lists BCBSIL Experience Report & UPP Statement, BCBSIL Claim Status, ERA (835 / 837), Medical Necessity, PE Lookup, PE Standalone, and Registration QA/PE Worklist. The Messages section is also visible. The Tools (customize) section lists Browser Check, CPT/HCPCS Search, and ICD-10 Search. The main content area displays a list of favorites under the heading 'Favorites', including Medicaid and Commercial plans. The footer contains copyright information for Experian Information Solutions, Inc. and a link to the Experian Health Privacy Policy.

### Where is the link to the eCare NEXT Work Queue?

The link to the eCare NEXT Work Queue is now located in the **Patient Access Products** section on the left side of the page.

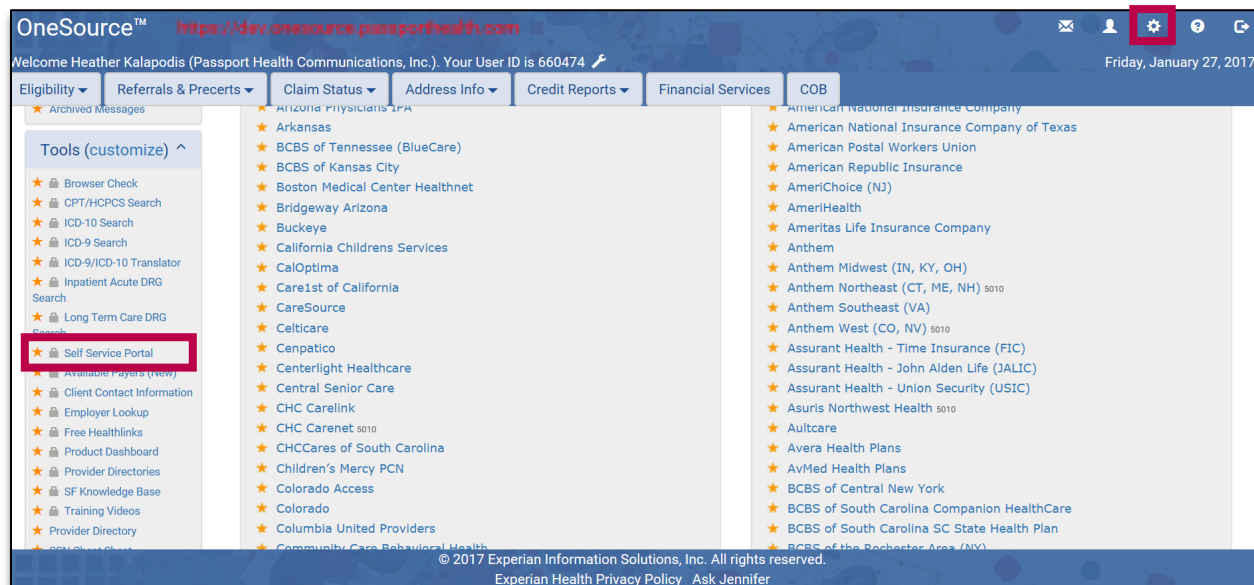

The screenshot shows the OneSource portal interface. The top navigation bar includes links for Eligibility, Referrals & Precerts, Claim Status, Address Info, Credit Reports, Financial Services, and COB. The left sidebar contains sections for Patient Access Products, eCare Online Products, Messages, and Tools (customize). The Patient Access Products section is highlighted with a red box and contains a search bar and a list of products. The eCare Online Products section lists BCBSIL Experience Report & UPP Statement, BCBSIL Claim Status, ERA (835 / 837), Medical Necessity, PE Lookup, PE Standalone, and Registration QA/PE Worklist. The Messages section is also visible. The Tools (customize) section lists Browser Check, CPT/HCPCS Search, and ICD-10 Search. The main content area displays a list of favorites under the heading 'Favorites', including Medicaid and Commercial plans. The footer contains copyright information for Experian Information Solutions, Inc. and a link to the Experian Health Privacy Policy.

## How do I get to the Self Service Portal (SSP)?

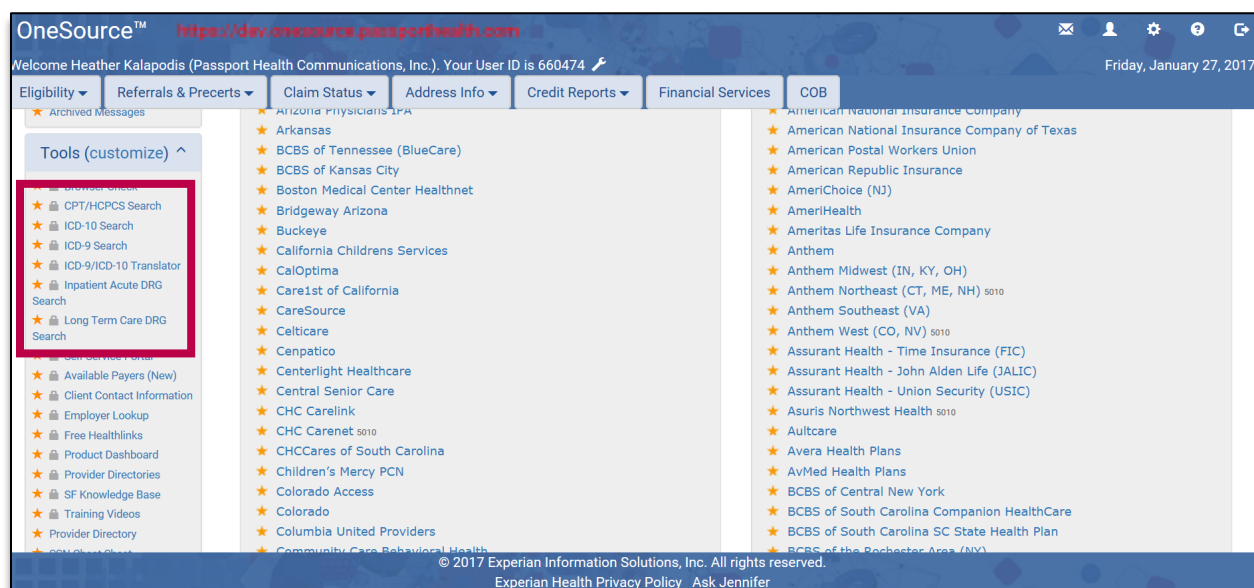

There are two ways to navigate to the SSP from the main OneSource page. Users can access the SSP through the link on the left side of the page under the Tools section, or by

clicking the  icon on the upper right side of the page.

## Where is the Codes tab?

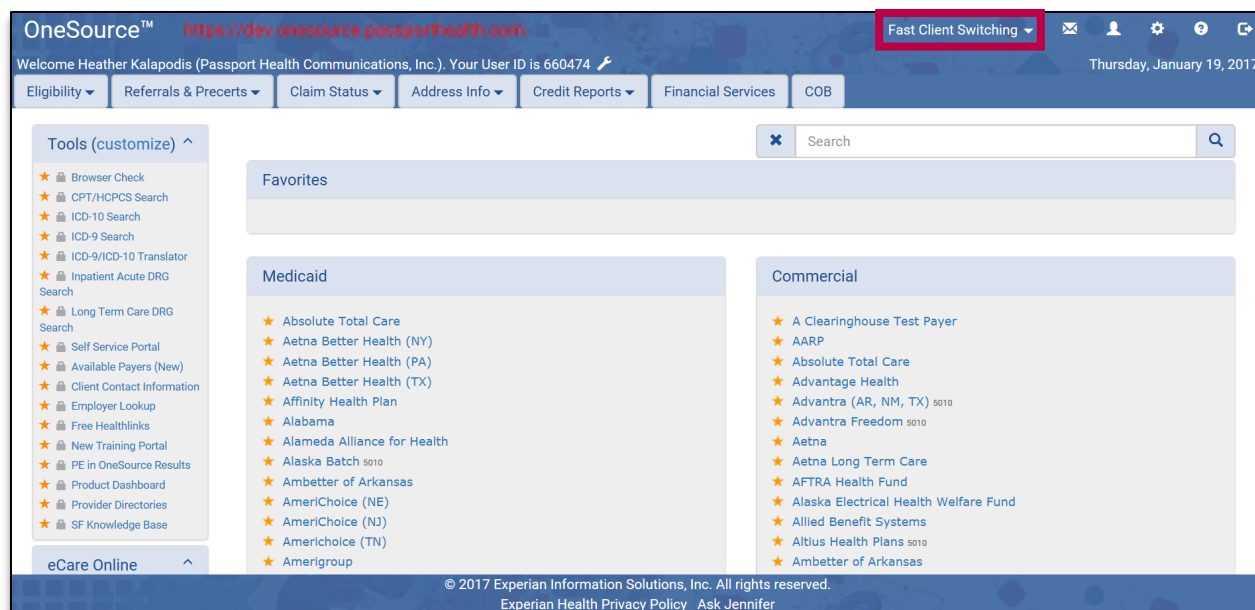

The code lookup links have been relocated to the toolbar on the left side of the page under the **Tools** section.

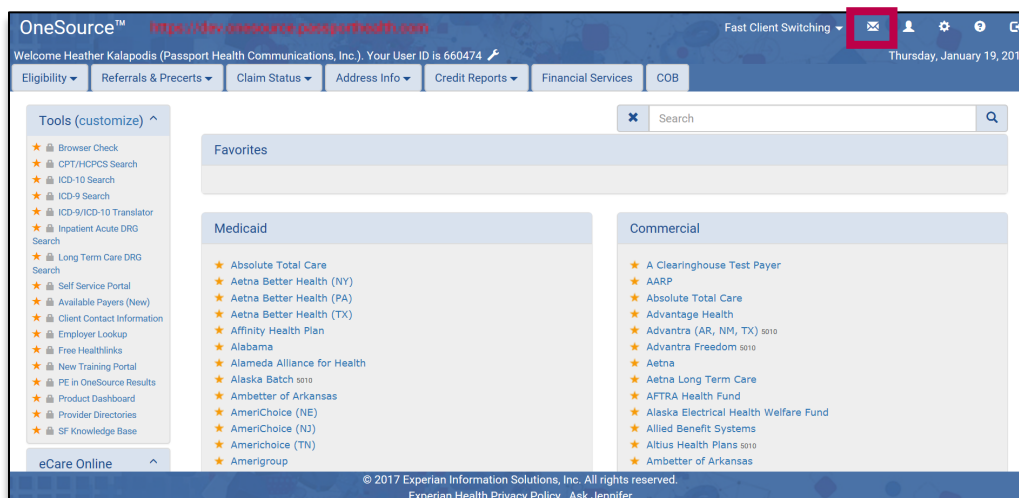

## Where is the dropdown menu to navigate between my different facilities?

If you use OneSource or eCare NEXT at multiple facilities that are a part of the same healthcare system, your account is set up with Fast Client Switching to allow you to navigate between sites while only having to remember one set of credentials. You can navigate to these facilities by hovering over the **Fast Client Switching** link and clicking on the desired facility.

## How do I contact Customer Support?

Support can be reached by clicking the  icon on the top right side of the page.

Support can also be reached 24/7 by calling (866) 854-6796, e-mailing [Customer.Support@ExperianHealth.com](mailto:Customer.Support@ExperianHealth.com), or opening a case in the Customer Support Portal.
